Welcome to our web site (the "Site"). Your access to and use of the Site is subject to these Terms and Conditions of Use ("Terms of Use") and all applicable laws. The Site is operated by Fuji Chemical Industries USA, Inc. ("Fuji") from its offices within the United States. Fuji makes no representation that content, materials or information made available on or accessed through the Site are appropriate or available for use in other locations, and access to them from territories where their contents are illegal is prohibited. Fuji may change or modify these Terms of Use, in whole or in part, at any time by updating this posting without prior notice or liability to users. By accessing, browsing and/or using the Site, including all content, materials and information made available on or accessed through the Site - whether you are a "Visitor" (which means that you simply browse the Site) or a "Registered User" (which means that you have registered with Fuji) - you acknowledge that you have read, understood and agree to be bound by these Terms of Use and to comply with all applicable laws. The term "you" or "user", as used in these Terms of Use, refers to a Visitor or a Registered User.

PROPRIETARY RIGHTS

The Site and its contents, including text, graphics, images, photographs, illustrations, videos, audio, code, data, trademarks, service marks, logos, taglines, slogans, trade names and other material, made available on or accessed through the Site (collectively, the "Materials") and any and all intellectual property and proprietary rights inherent therein or appurtenant thereto, are owned by Fuji or its licensors and are protected under both United States and foreign laws. Your use of the Site does not grant to you ownership of any of the Materials. Except as stated herein, none of the Materials may be copied, reproduced, distributed, republished, downloaded, displayed, posted or transmitted in any form or by any means without the prior written permission of authorized personnel of Fuji, its licensors or the otherwise applicable rights holders.

The trademarks, service marks, logos, taglines, slogans and trade names (collectively, the "Marks") displayed on the Site or on the Materials are registered and unregistered Marks of Fuji, its licensors or other rights holders and may not be used in connection with products and/or services that are not related to, associated with, or sponsored by their respective rights holders or that otherwise are likely to cause customer confusion,

or in any manner that disparages or discredits their respective rights holders. All Marks not owned by Fuji that appear on the Site or on the Materials are the property of their respective owners. Nothing contained on the Site or on the Materials should be construed as granting, by implication, estoppel or otherwise, any license or right to use any Mark displayed on the Site or on the Materials without the written permission of Fuji or the otherwise applicable rights holders. Your misuse, including any unauthorized use, of the Marks displayed on the Site or on the Materials is strictly prohibited.

LIMITED LICENSE

Subject to your compliance with these Terms of Use, you may (a) access and view the Materials on the Site on your computer or other device and (b) download any of the Materials displayed and identified on the Site as specifically available for downloading solely for your own lawful, personal, non-commercial use, provided that you retain all copyright and other proprietary notices contained in the Materials. Any rights not expressly granted herein are reserved. Notwithstanding the foregoing, any other Materials that are made available on or accessed through the Site with their own license terms, conditions and notices shall be governed by such terms, conditions and notices. In the event of any conflict, such additional or different terms, conditions and notices will prevail over these Terms of Use.

Except for the limited permission in the preceding paragraph, Fuji does not grant you any express or implied rights or licenses under any patents, trademarks, copyrights or other proprietary or intellectual property rights. You may not mirror the Site or any of the Materials on another web site or in any other media.

UNSOLICITED IDEAS POLICY

Fuji or any of its employees do not accept or consider unsolicited ideas, proposals or materials, including ideas and proposals for new or improved advertising campaigns or promotions, new or improved products, product enhancements, processes, packaging, marketing plans or new product names. Please do not submit through the Site any unsolicited ideas, original creative artwork, suggestions, proposals or other works in any form to Fuji or any of its employees. The sole purpose of this policy is to avoid potential misunderstandings or disputes when Fuji's processes, products or marketing strategies, for example, might seem similar to ideas submitted to Fuji. If, despite our request that you not submit unsolicited ideas, proposals or materials, you still submit them, then regardless of any statements contained in your submission, you agree that the ideas, proposals or materials that you submitted may be treated as non-confidential and non-proprietary, and may be disseminated or used by Fuji for any purpose and in any way without any compensation. Notwithstanding the foregoing, Fuji is not required to use any such ideas, proposals or materials.

USER SUBMISSIONS

Fuji does not claim ownership of any information or material a user transmits, posts or uploads to or through the Site by any means, including, without limitation, by message boards, chat rooms or similar discussion forums, blogs, wiki pages or otherwise ("Submissions"). All Submissions will be treated as non-confidential and non-proprietary, and may be disseminated or used by Fuji for any purpose and in any way without any compensation.

By making a Submission to or through the Site, you automatically grant Fuji an unrestricted, irrevocable, worldwide, royalty-free license to use, reproduce, display, publicly perform, transmit and distribute such Submission, alone or as part of other works in any form, media, or technology whether now known or hereafter developed.

You warrant and represent that you shall not transmit, post or upload to or through the Site any Submission that is, in whole or in part, libelous, vulgar, obscene, pornographic, profane, abusive, harassing, invasive of another's privacy, hateful or bashing, aimed at gender, race, color, sexual orientation, national origin, religious views or disability, or otherwise unlawful, or that violates or infringes on the privacy, publicity, intellectual property, proprietary, or contractual rights of any third party.

You further warrant and represent that to the extent you transmit, post or upload to or through the Site any Submission that constitutes a review, a testimonial and/or an endorsement of a product and/or service, you will clearly and conspicuously disclose the material connections you share with the seller of the product and/or service, including disclosing the fact that you are being paid to promote or review the product and/or service or from any links within your Submission whenever that is the case, based your review, testimonial and/or endorsements on your own independent evaluation of the product and/or service, not pass along misleading or unsubstantiated advertiser claims, and otherwise comply with applicable laws.

Fuji does not represent or warrant the truthfulness, accuracy or reliability of any content, information or material contained in any Submissions made to or through the Site by users or endorse any statements, representations or opinions expressed by users in their Submissions. Your reliance on content, information, material, statements, representations or opinions contained in any Submissions made to or through the Site by other users shall be at your own risk. Any product claim, statistic, quote or other representation about a product and/or service contained in a Submission should be verified with the applicable manufacturer or provider.

Fuji is not responsible for screening or monitoring Submissions made to or through the Site by users. If notified by a user of any Submissions made to the Site allegedly in violation of these Terms of Use, Fuji may investigate the allegation and determine in good faith and its sole discretion whether to remove such Submission or any portion thereof. Fuji shall have no liability or responsibility to users for performance or nonperformance of such activities.

Fuji reserves the right not to post or to remove any information or material posted, uploaded, input or submitted to the Site for any reason, including, without limitation, any Submissions that, in its sole discretion, it deems to be in violation of these Terms of Use.

INDEMNITY

You agree to defend, indemnify, and hold harmless Fuji, its directors, shareholders, officers, employees, agents, licensors and service providers from and against any claims, actions or demands, including without limitation reasonable legal and accounting fees, arising out of or resulting from your use of the Site or the Materials, your Submissions, your breach of these Terms of Use and/or violation of any applicable laws.
